Subaward Agreement Process

SAM Office

Required Subrecipient Forms

Subaward Commitment Form, up-to-date budget reflecting award reductions and scope of work must be completed and sent to SAM Office to begin this process. Visit the SAM website for additional information.

Agreement Drafted

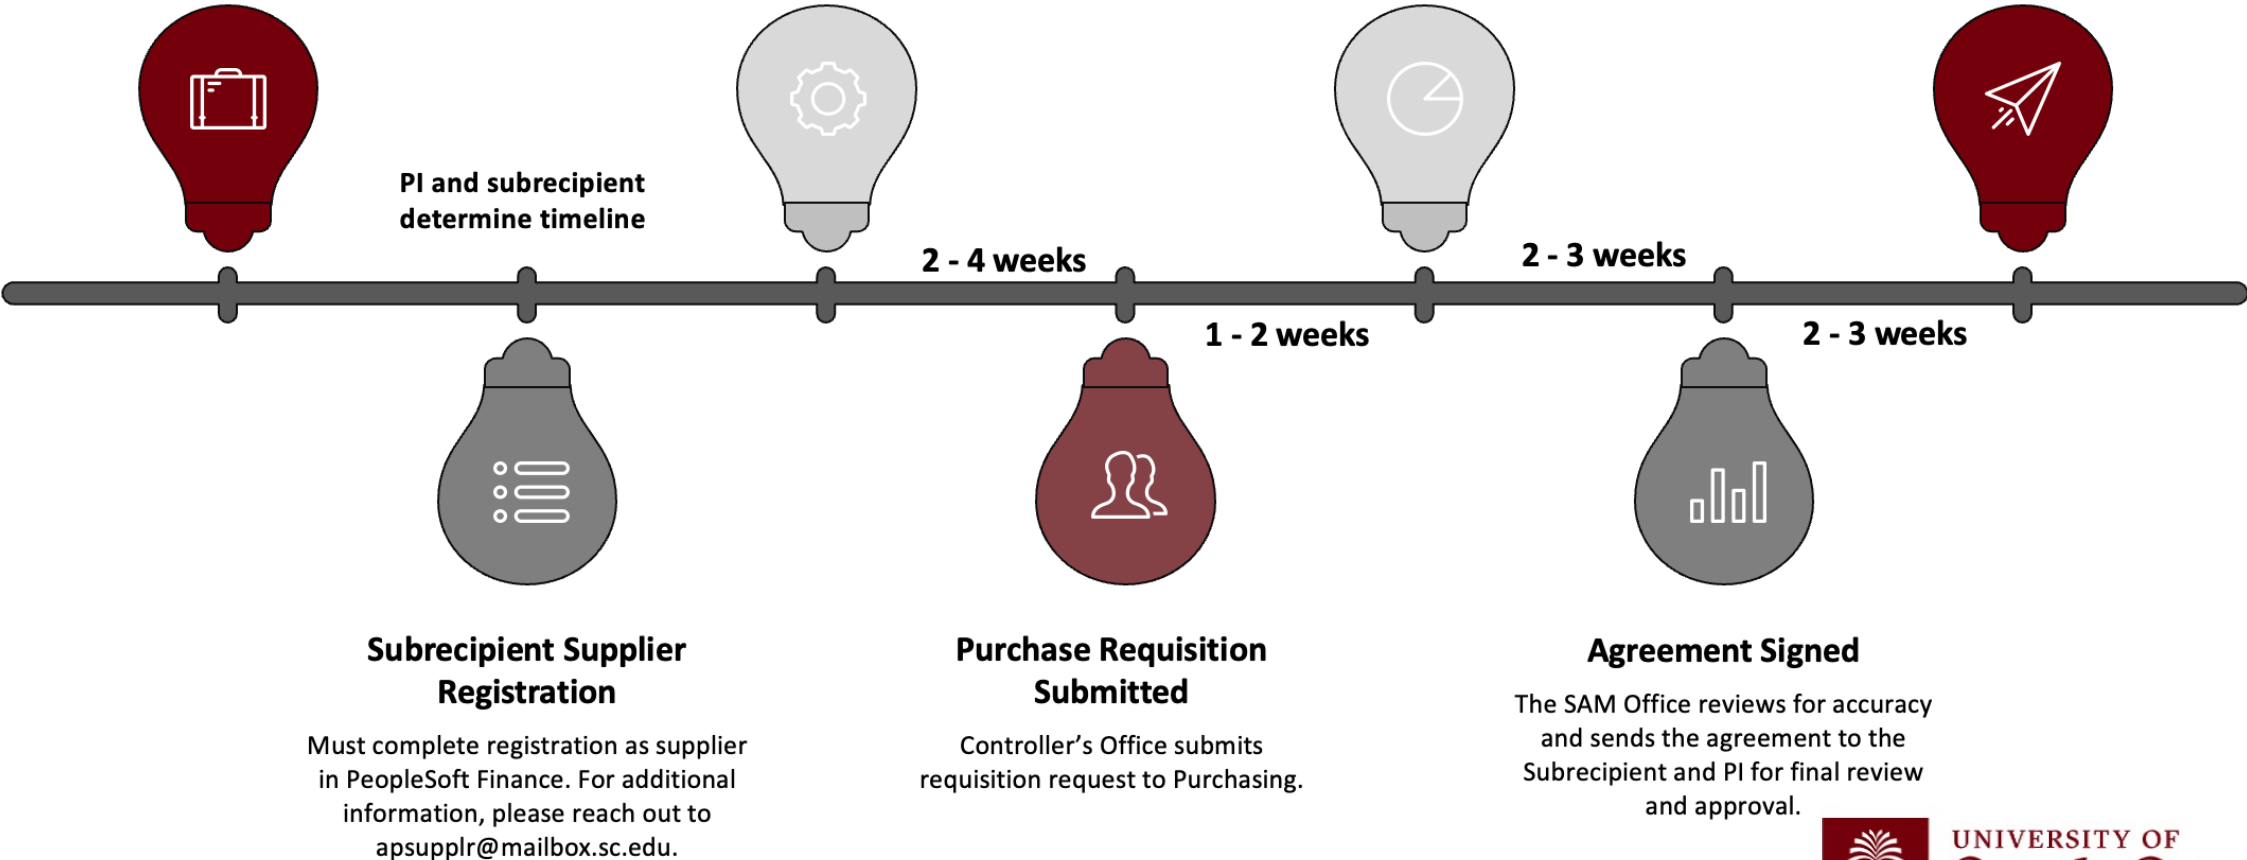

SAM Office receives all needed information and creates draft agreement based on the risk level and PRIME award terms.

Purchase Order Approved

Purchasing reviews requisition and creates purchase order number.

Fully Executed Agreement

The Subrecipient must return an executed agreement to the SAM Office in order to have a valid agreement and begin submitting invoices for payment. subinv@mailbox.sc.edu

* These are suggested time frames, and they can vary. Please reach out to your SAM Administrator with questions or for updates.

Award Close Out Process and Timeline

90 Days Before Close Out

Begin close out process for ending project by ensuring all expenditures (including subs and cost share) have been processed and posted, all necessary corrections are made, and progress reports are completed.

15 Days After Close Out

Project is complete. All expenses must be posted, non-allowable transactions moved, and Account and Retro Funding Change forms complete.

GFM Completes the Close Out Form

The project PAA completes the Project Close Out Form and sends a Final Close Out Packet to Assistant Director of GFM for final review and approval.

30 Days Before Close Out

Continue to close out process for ending project by ensuring all expenditures (including subs and cost share) have been processed and posted, all necessary corrections are made, and progress reports are completed.

Close Out Confirmation from PI/Department

PI/Department confirms all expenses are posted and project is complete giving GFM the opportunity to complete final invoices and any final financial reporting that is required.

Project Inactivated in PeopleSoft

Assistant Director of GFM sends a request to inactivate the project chartfields to the Chartfield Maintenance Team. No further changes can be made to the project at this time.

Alone, we can do so little; together, we can do so much.

Terminology	Definition
Account Funding Change Form	An <i>Account Funding Change eForm</i> is used for any employee that requires a funding change before the next payroll. These are completed in PeopleSoft HCM.
At-Risk Account	An <i>At-Risk Account</i> is established to track expenditures associated with a specific proposal submission based on an award that is forthcoming.
GFM	The <i>Grants and Funds Management Office</i> or <i>GFM</i> is responsible for the accounting and management of all restricted grants and contracts within the university system.
Grant Dashboard	The <i>Grant Dashboard</i> provides budget vs. actual comparisons for direct and cost share expenditures by invoice categories for sponsored research awards (USCSP projects). Search by grant, contract, or PI. Includes burn rate calculations.
HCM Distribution	The <i>HCM Distribution</i> reporting tool displays payroll information by employee, including pay group, funding chartfield, gross earnings, and the cost of each employee's benefits to the department.

Alone, we can do so little; together, we can do so much.

UNIVERSITY OF
South Carolina

Terminology	Definition
PAA	The <i>Post Award Accountant</i> or <i>PAA</i> provides guidance and technical assistance to the University departments in the management of the federal, state and other grants funds.
PI	A <i>Principal Investigator</i> or <i>PI</i> is the individual responsible for the preparation, conduct, and administration of a research grant.
Retro Funding Change Form	The <i>Retro Funding Change Form</i> is to be utilized when payroll that has already posted through the system needs to be adjusted.
SAM Office	The <i>Office of Sponsored Awards Management</i> or <i>SAM</i> provides pre- and post-award services to help University of South Carolina researchers develop and submit grant and other sponsored project proposals and administer awards after they are received.
Time and Effort Certification	A <i>Time & Effort Report</i> is automatically generated for any individual who has salary paid from a sponsored project or COST SHARED to a sponsored project. Each report is reviewed and approved by the Employee, PI, and Supervisor.
