

Department of Anthropology Colloquium Evaluation for Professional Development  
(Required of Grad Students in the Department of Anthropology)

Name: \_\_\_\_\_

Title of Colloquium:

Presenter (name and title):

Date of Colloquium:

Please identify the main themes of the presentation:

What is the theoretical perspective of the presenter?

What evidence does the presenter use, and how is it analyzed?

Does the presenter use visual materials? Are they successfully employed and integrated into the presentation?

Write down one question you could ask the presenter:

What was successful, and what would you do differently?
