

Gamecocks Get Hired: STEM Majors Career Fair

Elevator Pitch Form

In preparation for the STEM Majors Career Fair, the CEC Career Center encourages you to craft an elevator pitch and utilize this message to market your professional self to employers.

Who you are and what is one thing that distinguishes you from your peers?

What are your current interests and what past experiences do you have that are relevant to this career field?

What are your career goals?

Why are you qualified for this position?
