

Moore School Student Guide to COVID-19 Protocols

What you should do if a roommate or someone you know tests positive:

If your roommate has tested positive and you are not fully vaccinated, take the following steps:

1. Since you are a close contact, [view quarantine guidelines online](#).
2. Complete the [COVID-19 Student Report Form](#), which will result in Student Ombudsman facilitation with the communication with your instructors. Contact the Office of the Ombudsman with questions at 803777-4172.

If your roommate has tested positive, you are fully vaccinated and boosted and recently vaccinated (within six months of a two-dose vaccine or two months of a one-dose vaccine) or have been positive within the past 90 days, and are not experiencing symptoms, take the following steps:

1. You may not be required to quarantine but you are required to show proof of vaccination. Upload your vaccination information to [My Health Space](#).
 - a. If you're not certain you are fully vaccinated, review the [COVID-19 testing page](#).

If you need to quarantine and you are:

LIVING ON CAMPUS

1. Activate your [Quarantine and Isolation Plan \(Q&I Plan\)](#) submitted to Housing and Residence Life.
2. Complete the [COVID-19 Student Report Form](#), which will result in Student Ombudsman facilitation with the communication with your instructors. Contact the Office of the Ombudsman with questions at 803777-4172.

LIVING OFF CAMPUS

1. Follow vigorous risk mitigation strategies, as [defined by the CDC](#).
2. Complete the [COVID-19 Student Report Form](#), which will result in Student Ombudsman facilitation with the communication with your instructors. Contact the Office of the Ombudsman with questions at 803777-4172.

If you need emotional support during isolation:

UofSC Counseling and Psychiatry offers virtual services, including support groups, for students who are in quarantine or isolation. Sign up for support groups in [My Health Space](#) under Groups/Workshops.

Get more information about [mental health and wellbeing services available at UofSC](#).

If you are experiencing COVID-19 related symptoms:

Make a telemedicine appointment to be evaluated via [My Health Space](#) or call the Coronavirus Phone Bank at 803-576-8511. View [the CDC's symptoms of COVID-19](#) online.

*****If you're having trouble breathing, have persistent pain or pressure in the chest, experiencing confusion or inability to stay awake, or have bluish lips, or any other medical emergency call 9-1-1.*****

For more information about UofSC COVID-19 protocols, requirements and guidelines, visit the [COVID-19 section of the UofSC website](#).

What you should do if you test positive:

1. Begin to isolate as soon as you receive results, whether you are vaccinated or not.
2. If you were tested off-campus, upload your test results to [My Health Space](#).
3. Follow additional steps below based on where you live.

LIVING ON CAMPUS

1. Activate your [Quarantine and Isolation Plan \(Q&I Plan\)](#) submitted to Housing and Residence Life.
2. Complete the [COVID-19 Student Report Form](#), which will result in Student Ombudsman facilitation with the communication with your instructors. Contact the Office of the Ombudsman with questions at 803777-4172.
3. Make a list of anyone who you have been in close contact with in the two days before your first symptom or your positive test (if no symptoms), for use when contacted by SCDHEC for contact tracing.

LIVING OFF CAMPUS

1. Follow vigorous risk mitigation strategies as [defined by the CDC](#).
2. Complete the [COVID-19 Student Report Form](#), which will result in Student Ombudsman facilitation with the communication with your instructors. Contact the Office of the Ombudsman with questions at 803777-4172.
3. Make a list of anyone who you have been in close contact with in the two days before your first symptom or your positive test (if no symptoms), for use when contacted by SCDHEC for contact tracing.
